Dear Mr. Hebard:

Enclosed are two sets of Plans and Contract Documents for rebidding the City of Elgin's Phase 1, 1,000,000 Gallon Reservoir, for your review and approval. These Plans and Contract Documents are essentially the same as approved by your department on August 16, 1974, with the exception that Contractor Designed Steel and concrete tanks will be accepted as alternates under the conditions of the Special Conditions.

The bids on this project will be opened on December 17, 1974. Your review and comments would be appreciated as soon as possible. Please send a copy of your comments to the FHA for their files. If you need additional information or have any questions, please call.

Very truly yours,
